STAT

Senator Lowell Weicker has referred to us your 7 May 1985 letter to him regarding the New York Daily News article on Mr. Louis Farrakhan and Colonel Khadafy.

The Central Intelligence Agency (CIA) is, of course, interested in the subject of international terrorism. We do not, however, comment publicly on any individual foreign national such as Colonel Khadafy. We also note that Mr. Farrakhan is an American citizen and that, as the CIA has no law enforcement authority, your query should be addressed to the Federal Bureau of Investigation.

We appreciate your taking the time to express your concerns.

Sincerely,

/s/Charles A. Briggs
